

LEHIGH CAREER & TECHNICAL INSTITUTE
2022-23 Program Offerings
Adult Workforce Education

FULL TIME CERTIFICATE PROGRAMS

These programs are designed for students who want to enter into a new career field and need to begin their training from the ground up. These full time programs are often referred to as “intergenerational” programs because LCTI permits qualified adult students to attend these daytime programs alongside high school students. Students attend full time for nine months, earning industry credentials & an LCTI certificate of completion.
