

**St. Luke's Volunteer Services and Student Relations has a variety of opportunities to allow volunteers to SAFELY engage within our Network!**

# We ARE accepting volunteer applications!

**St. Luke's employees have taken many safeguards to protect our volunteers, staff, patients and visitors:**

- Practicing appropriate hand hygiene
- Sanitizing all high touch areas
- Screening patients/visitors upon entry into our hospitals
- Mask compliance when entering our hospitals

These safeguards help us feel confident that volunteering is a safe way to help volunteers to be engaged with in-person opportunities.
